

# why compromise...

Available with  
three Optional Extras:  
Data Transfer,  
Radio Access Point and  
Twin External Power  
Sockets

## ...choose UnoCart™

With restrictive budgets and the requirement for mobile IT in schools increasing, it is a challenge deciding between quality and price when it comes to laptop charging, storage and security? In an increasingly competitive marketplace, the UnoCart™ is designed to far exceed the abilities of its rivals at a competitive price, incorporating; simultaneous laptop charging, safe power management, twin thermostatically controlled fans and effective cable management.
